

BRICKS

Il restyling metropolitano dei tipici spazi industriali italo-newyorkesi viene reinterpretato: i formati rettangolari 7,5x15 e 7,5x30 richiamano il fascino dei muretti dei loft mentre le superfici matt e glossy dosano un sapore tutto urban. Bricks è il rivestimento ideale di bagni, cucine, living, camini, negozi, bar, ristoranti, che riesce a coniugare il gusto della “ready made” e del design contemporaneo.

The metropolitan restyling of typical italian-new yorker industrial spaces is reinterpreted: both 7,5x15 and 7,5x30 rectangular formats evoke the charm of the loft brick walls. Both surfaces, mat and glossy, dose a very urban flavour. Bricks is the ideal covering surface for kitchens, bathrooms, living rooms, fireplaces, shops, cafes, restaurants, which combines the taste of the “readymade” and of contemporary design.
